6.0 BIDDERS QUESTIONS:

Below are the questions received during bidding as of March 25, 2026.

6.1 Question: Sheet G-100 was removed in Addendum No. 2. This sheet had the leveling of the shower areas in both locker rooms. With sheet G-100 no longer part of the set/base bid, Alternate 2 doesn't jive in regard to the scope listed. Alternate 2 also mentions GD-100 being labeled, but it is not. Please let us know.

Answer: A revised sheet G-100 is added via this addendum. Alternate 2 is shown on GD-100 as the scope of work is the same as the Base Bid, excluding the floor leveling (G-100).

NOTE:

- ALL BIDDERS MUST indicate receipt of this Addendum on Page 2 of the Bid Form.
- **No other acknowledgement** is needed or requested to be returned as receipt of Addenda is tracked though the Sharefile service Addenda are issued through.
